

# National Co+op Grocers (NCG) to Launch Co+op Deals App Jan. 3, 2024

National Co+op Grocers (of which Oneota Co-op is a member) is pleased to introduce the Co+op Deals app. Your favorite Co+op Deals from our printed flyers will now be available via your smartphone. Membership to the Co-op is not required to access the app or experience these savings.

The Co+op Deals app is available in the Apple App store and Google Play. The first 3,000 registered users (nationally) will receive a \$10 coupon for use at their local co-op. While Oneota Co-op may not carry each item in the Co+op Deals flyer, we may be able to place a special order at Co+op Deal savings during the sales time frame.

Watch for updates as the Co+op Deals App continues to develop over the next several months. Note that at this time, not all Co+op Deals are reflected via the app, nor are in-store, Oneota Co-op branded sales (which includes your produce savings). These sales will continue to be made available via in-store signage, social media and our weekly e-newsletter, the CommPost.
