

August Wine Feature

WINES OF WASHINGTON STATE

KUNGFU GIRL

Riesling

This is a vibrant dry riesling with shimmering aromas and flavors of white peach, mandarin orange and apricot. Crafted with fruit grown in vineyards in the Columbia Valley region of Washington state.

TWO VINES

Syrah

Vibrant and jammy aromas of plum and black cherry burst from the glass in this New-World style Shiraz. The palate presents flavors of cherry and white pepper with hints of boysenberry and raspberry. The smooth and sweet finish is pleasing and supple.

CHARLES & CHARLES

Cabernet Sauvignon

The wine is led with dark chocolate, black cherry, melted licorice, alder, forest floor, cassis, and cigar box. On the palate it's chewy and dark, but not heavy and soupy. It has a lot of energy to it- a really vibrant, raw, honest Cabernet.

SUBSTANCE

Chardonnay

Flavors of orange blossom, fragrant melon, lemon peel, and graham cracker. On the palate, it continues to satisfy with a beautiful liveliness and refined richness of Fuji apple, minerals, and lemon crème.

CASA SMITH

Primitivo

Darkness is at the heart of this wine. Black fruit, dark cherries, leather, soil. Round with flavor galore.

CHARLES & CHARLES

Rosé

The aromatics lead with notes of bright citrus, wild raspberry and cherry, rose petal and lavender. All this carries through on a broad mid-palate and finally a tangy bright finish.

SUBSTANCE

Sauv. Blanc

Grapefruit, fresh-cut grass, lemongrass, and flint start you on the journey of discovery followed by an outburst of fresh pine needles, mountain wildflowers, and lime leaf. Crisp, focused, and very long.

SUBSTANCE

Cabernet Sauv.

Blackberry, currant, pencil lead, cedar. Layered and deep, resting in the glass, inviting you to sip and sip. Rich, complex, and just plain delicious.
