Best Case Wines founder Robert Morey "sees wine as an antidote, or at least a counterbalance, to a too-fast, too-fraught, too-teched world." Robert's Iowa City team brings the wine of many small producers to our tables, often sourced through his frequent visits abroad, especially in France. Meadowlark Provisions of Decorah focuses on natural wines crafted by small producers. "We specialize," says founder Kevin, "in joyous porch pounders and also serious and contemplative wines. It's a big wild world of wine out there and we just want to bring you a little bit of the good stuff." Kevin's got over 20 years experience in the beverage industry; in 2022 he made the jump and started Meadowlark; congratulations Kevin.
